

## INTRODUCING EVERY HOME FOR CHRIST AND THE OIKOS INITIATIVE

Since 1946, Every Home for Christ (EHC) has labored to serve the Church to reach every home in 215 nations with the Gospel. During that time, we have seen more than 4 billion salvation messages distributed with millions turning to the Lord for salvation. Testimonies abound of whole communities transformed by the power of the Gospel.

That was then – this is now! A whole new generation has arisen, and as the late Keith Green said, "This generation of Christians is responsible for this generation of souls on the earth." That's why EHC is launching the OIKOS Initiative, a strategic plan to reach every family on Earth with the Gospel in the coming two decades. This task may seem overwhelming, but the same Holy Spirit who empowered the Early Church's disciples is also empowering us.

As International President of EHC, I have long believed that "the degree to which prayer is mobilized will be the degree to which the world is evangelized." And that is why we publish this World Prayer Map to mobilize the Church to pray for the advancement of the Great Commission. And as you pray, determine to become an answer to your own prayers. Join us in partnering to take the Gospel to many thousands of homes this very day (and every day) throughout the world. To enslist: visit www.oikos.global
